HOLLYWOOD VS. FAITH—The Struggle to Live Faithful in the Media Age... You will be urged to think (and laugh) about the media, not just take a bath in them. Frank will discuss the impact of commercial sponsorship, and the real reasons for all the sex and violence. Finally, he identifies the four biggest distortions in the mirror which Hollywood holds up to our lives, a set of false beatitudes...he suggests a surprisingly simple answer to how we can live faithfully as Christians—while still enjoying the best of media.
